

# G I V A T I

the first war story of its kind

# THE LONE SOLDIER

# OUR HERO SARA COHEN

Sara Cohen , an ordinary 21-year-old American woman, has a fateful encounter on a heritage trip for Jewish-American 20-somethings that leads her to take up arms and become an Israeli soldier.

# SARA'S STORY

G I V A T I

# Meet the Cohen family.

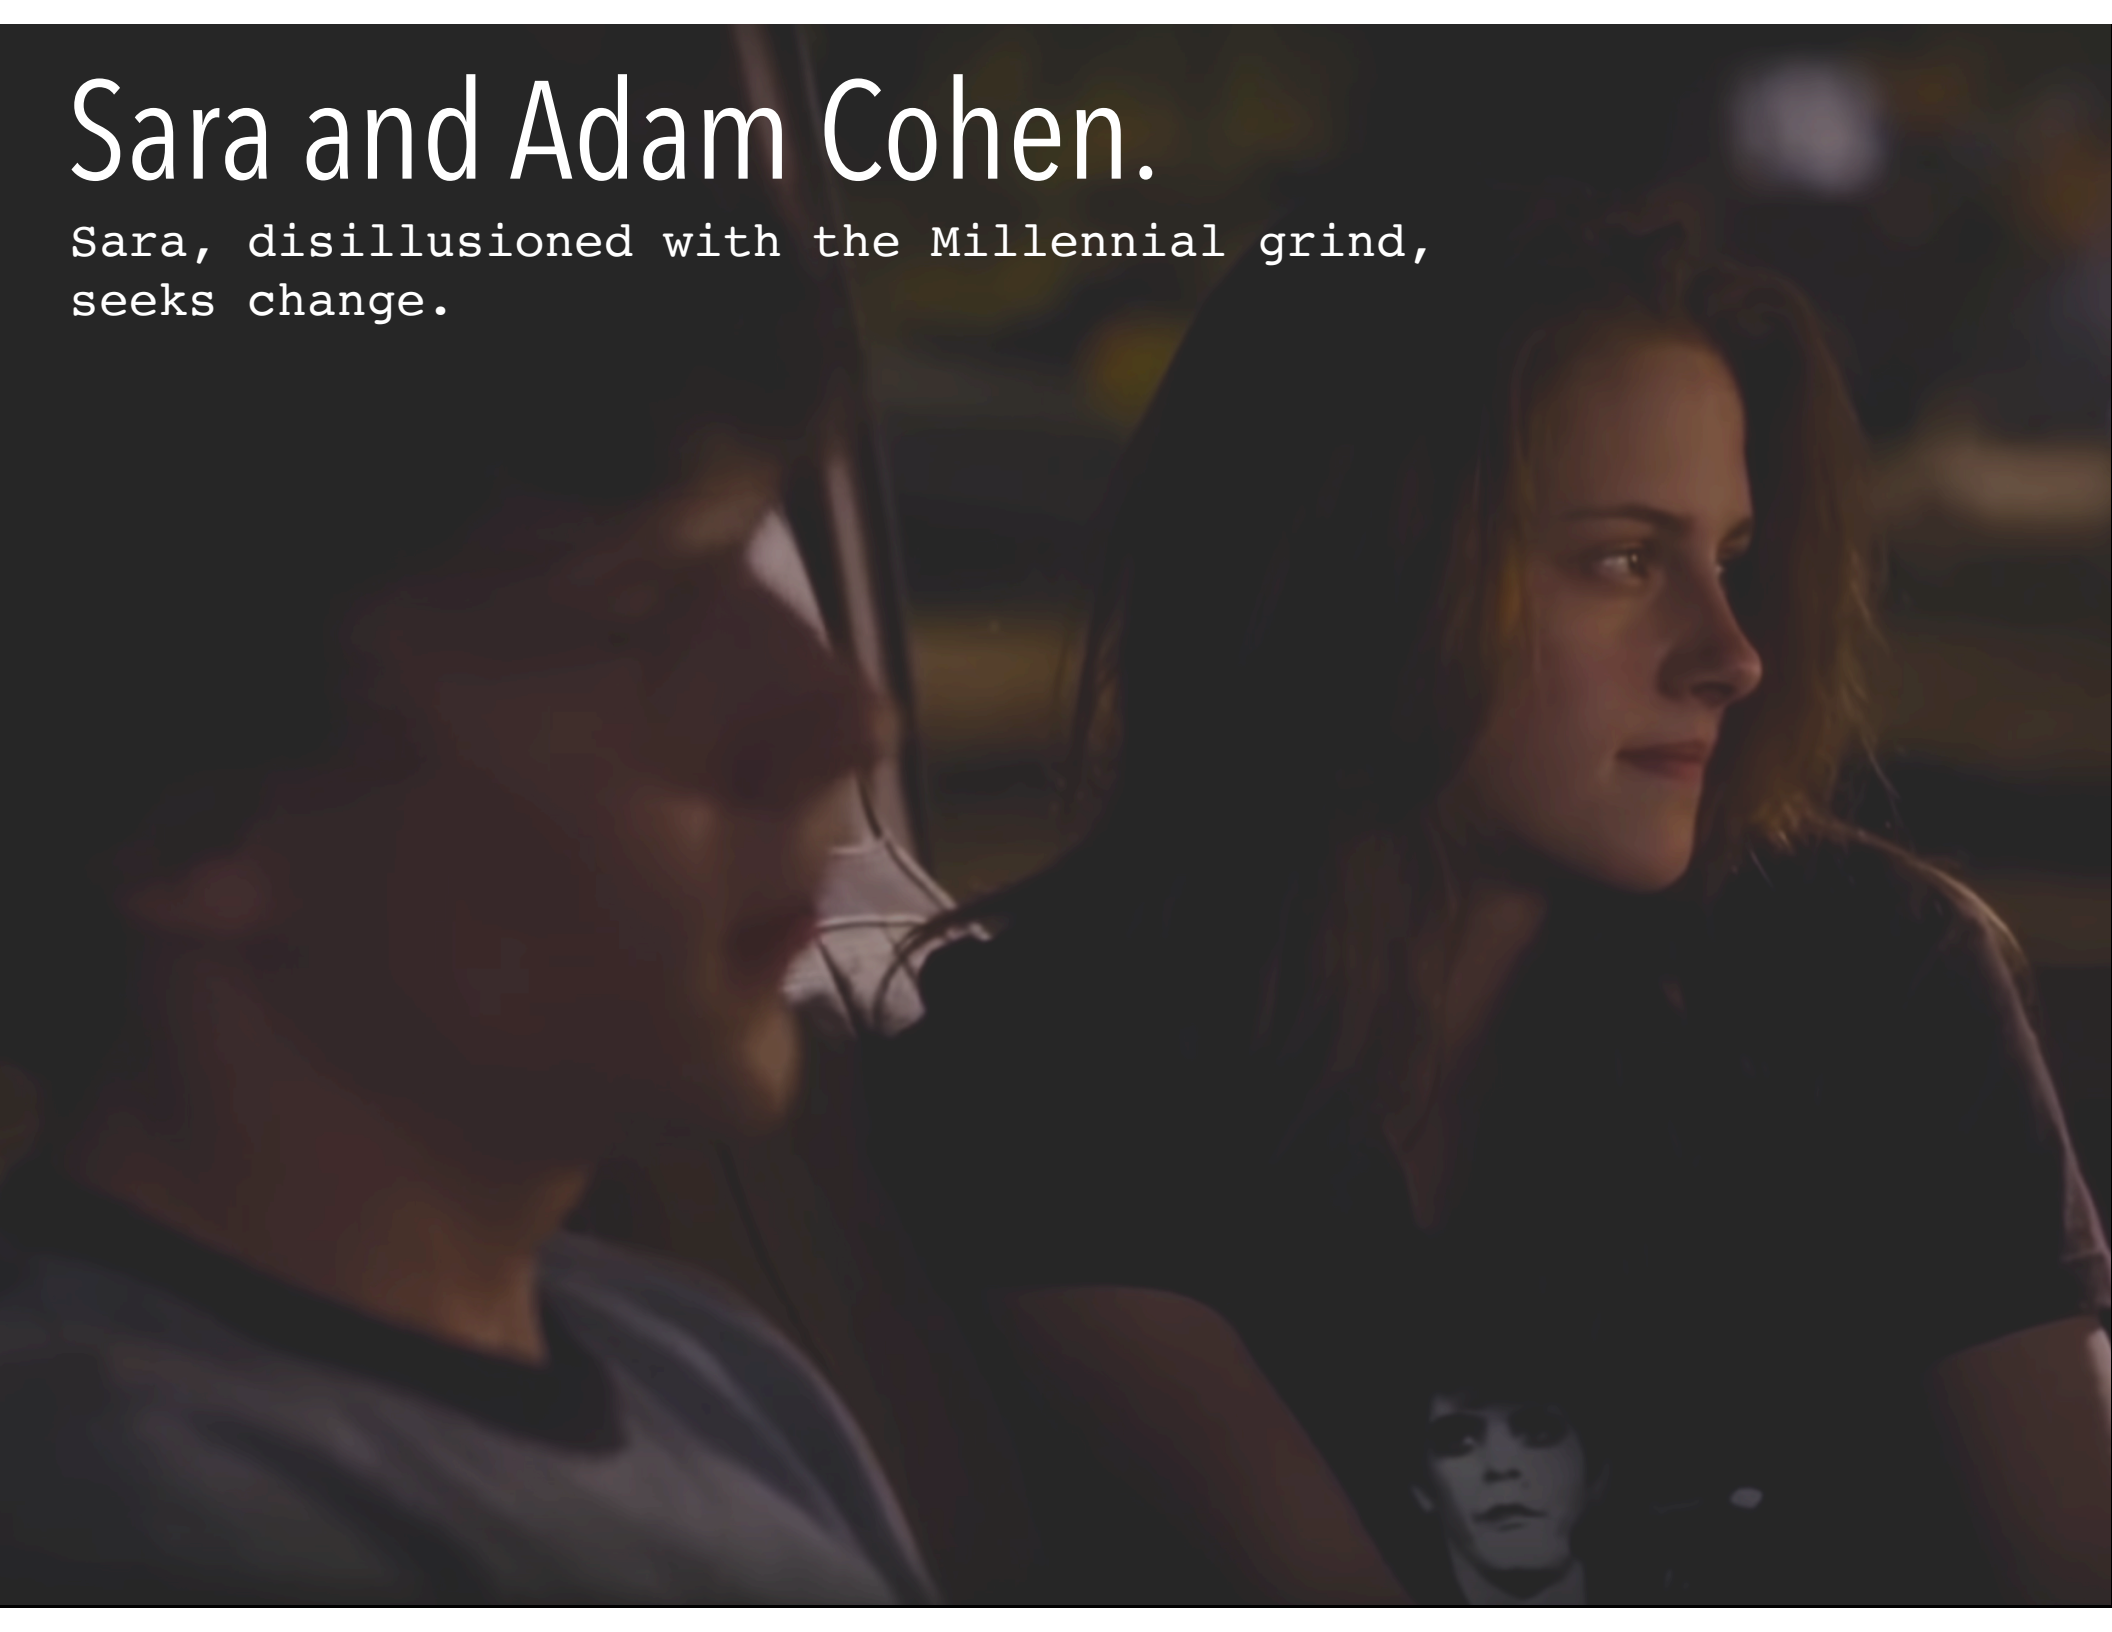

Living in Cambridge, Massachusetts. Israeli expats *Yoav* and *Tziporah*, or 'JOE and CINDY', are the adoptive Israeli parents of two very American, very apathetic 20-somethings.

# Sara and Adam Cohen.

Sara, disillusioned with the Millennial grind,  
seeks change.

# Experience Eretz Zion

She visits Israel for her the first time on a small, free, fictional tour program called 'Experience Eretz Zion.'

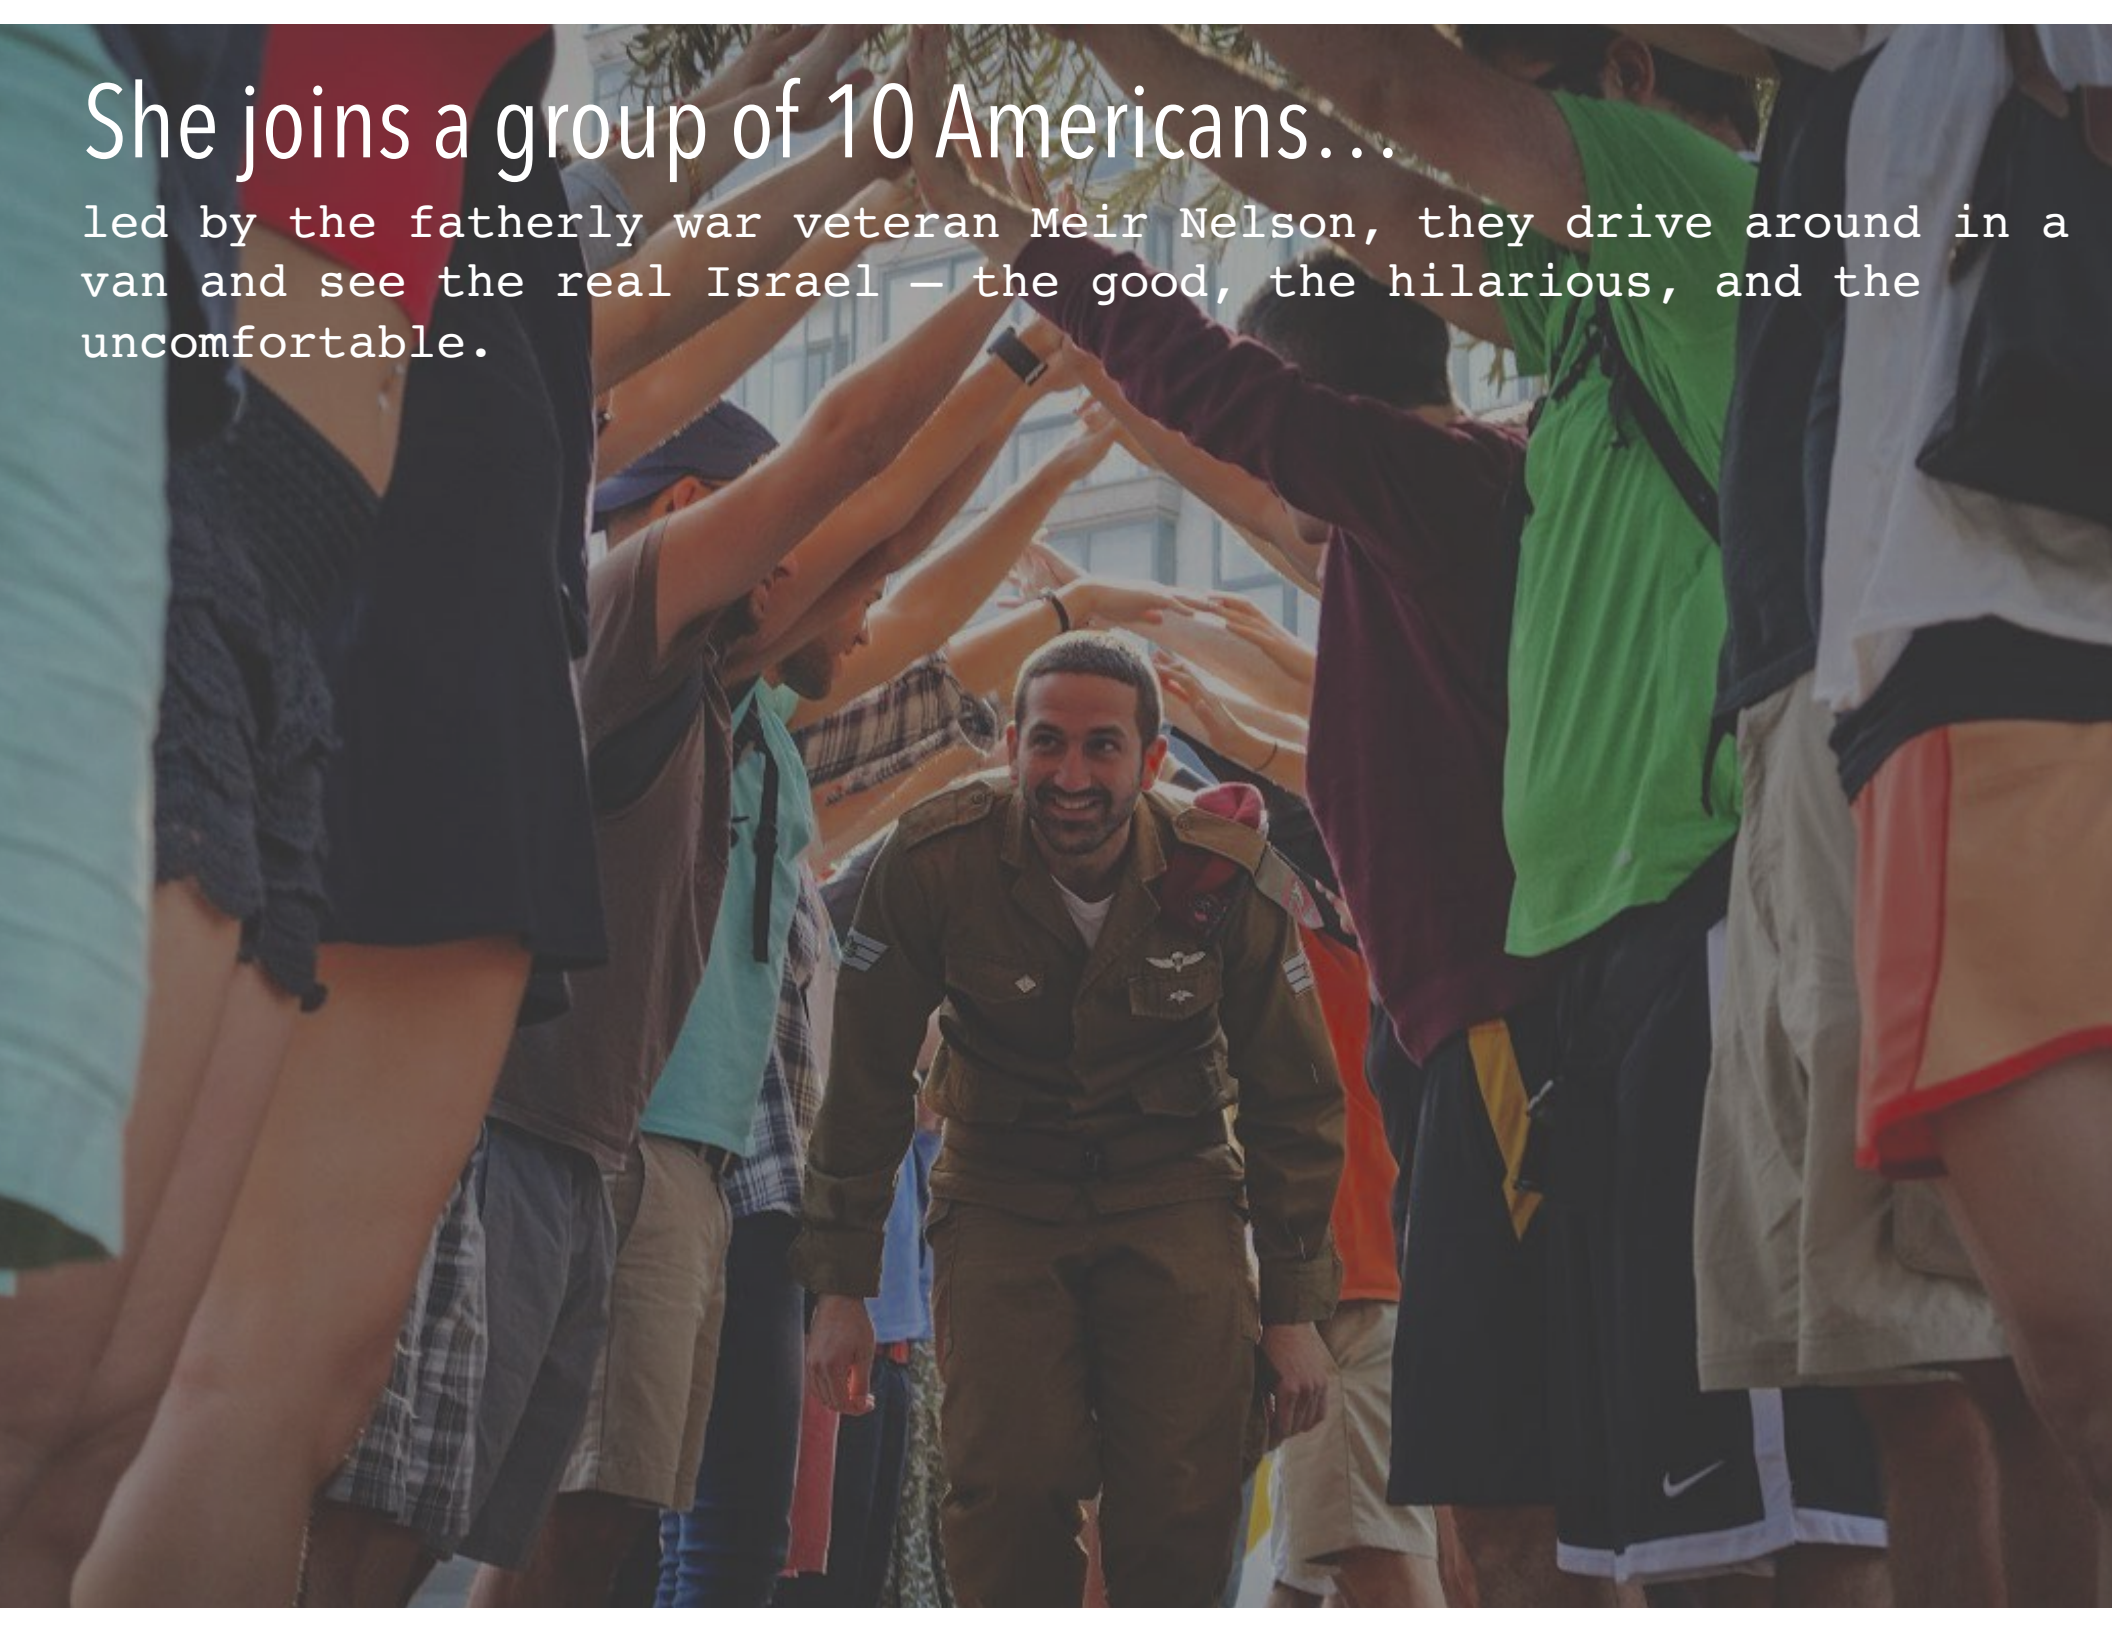

Do we want this as own  
slide or as speech for  
previous slide?

# She joins a group of 10 Americans...

led by the fatherly war veteran Meir Nelson, they drive around in a van and see the real Israel — the good, the hilarious, and the uncomfortable.

# Weeks later,

in Jerusalem, Sara is nearly killed during a daytime terrorist truck attack. But though she escapes unscathed, Sara has fallen in love with Israel; she wants to stay

# Sara makes *Aliyah*

Sara decides becomes an Israeli Citizen.

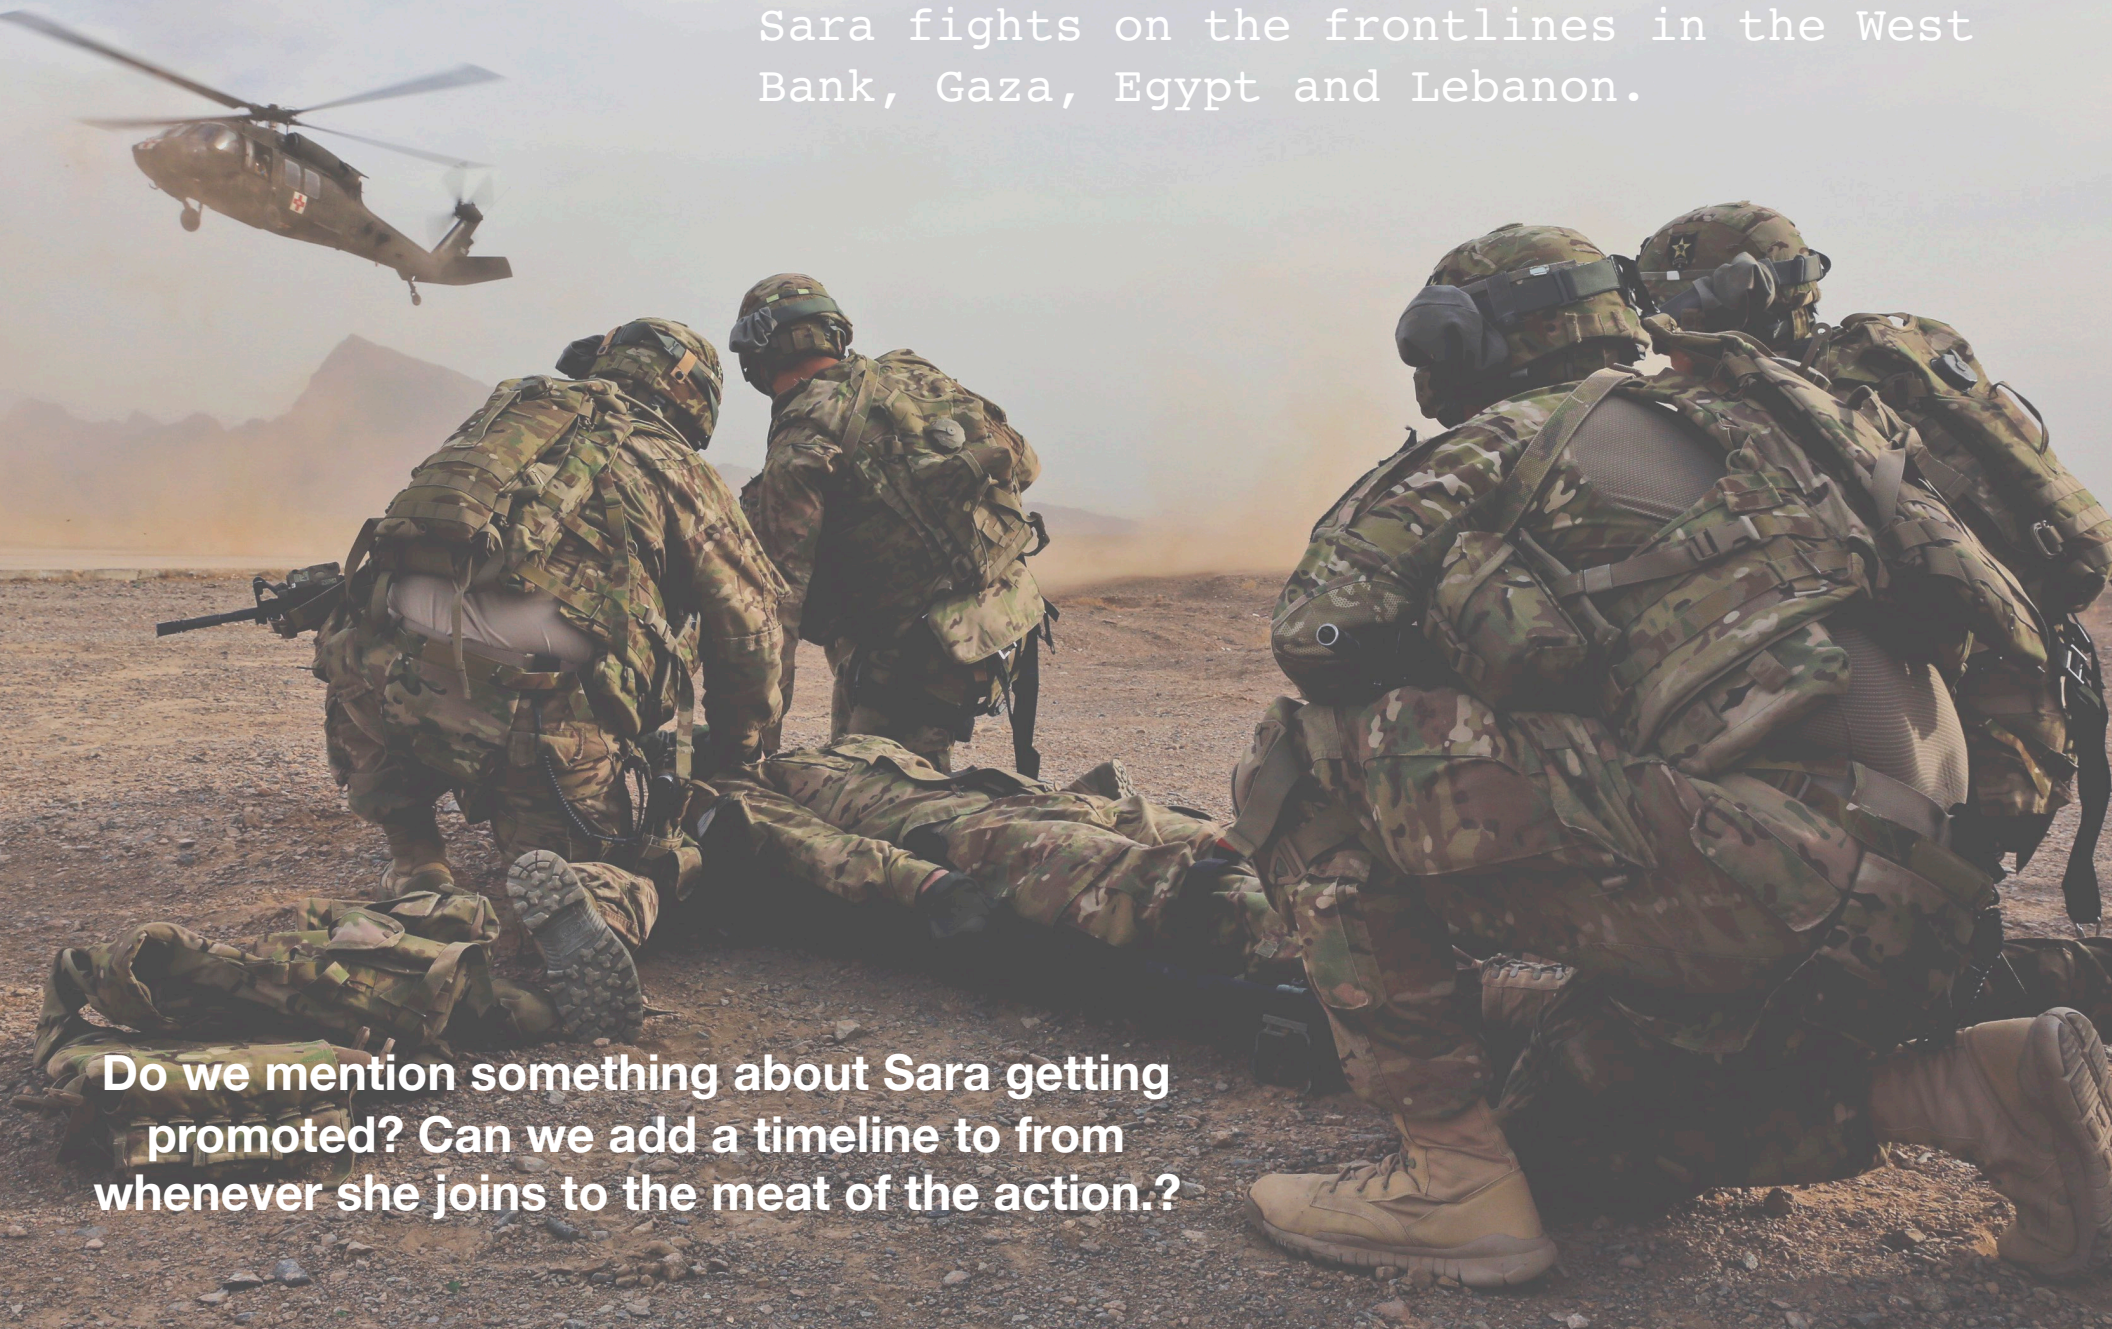

She volunteers to join an IDF infantry combat-unit.

Sara is among one of the first three women allowed into a new 26-person Givati Special Forces squadron

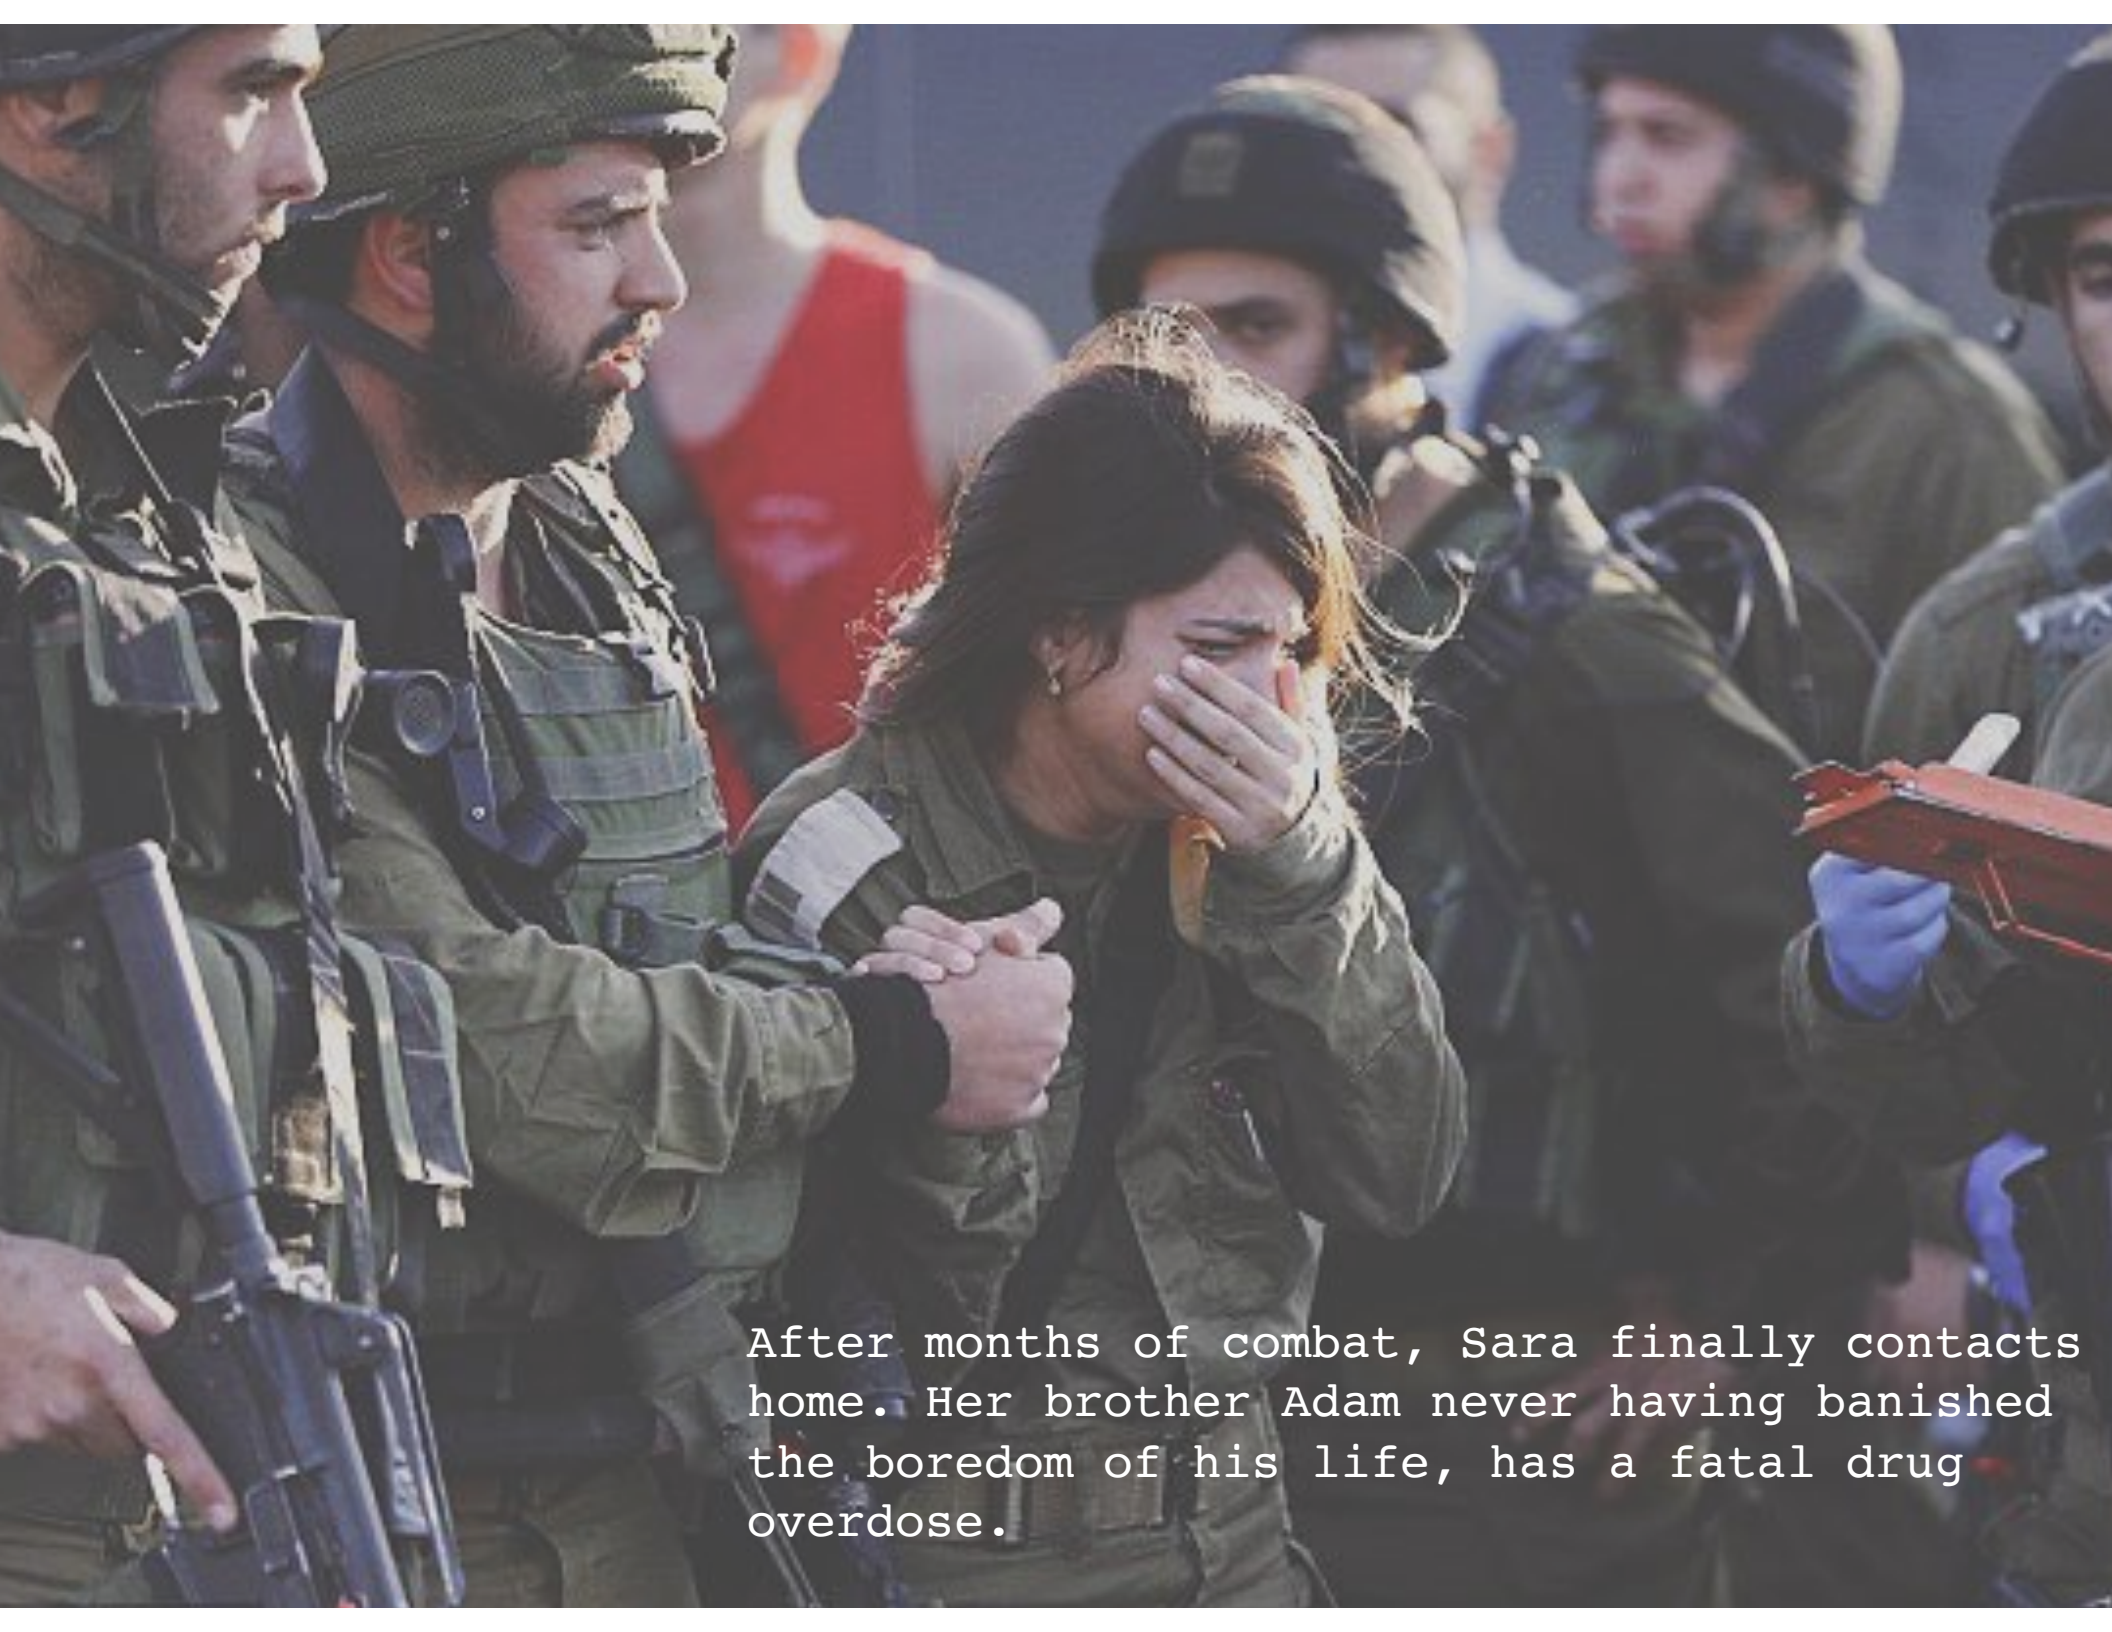

# Cpt. Sara Cohen

Sara fights on the frontlines in the West Bank, Gaza, Egypt and Lebanon.

Do we mention something about Sara getting promoted? Can we add a timeline to from whenever she joins to the meat of the action.?

After months of combat, Sara finally contacts home. Her brother Adam never having banished the boredom of his life, has a fatal drug overdose.

# Sara's last tour

Despite Sara's setbacks. She stays vigilant and embarks on the ultimate fight.

# The final battle

A large army moves uphill under the desert moon. 300 Israeli Soldiers with 7 Merkava tanks approach an apartment building full of Iranian and Hezbollah fighters. They open fire with machine guns and rocket launchers. Sara and her unit face the ultimate battle.

# Homecoming

Sara has seen her fair share of fighting. Completely transformed from an undetermined American kid, to a bonafide war hero, she hangs up her helmet and returns home to Massachusetts.

# Sara Cohen: Warrior

Time has passed. Sara lives a normal suburban life with a positive outlook. Sara's home alone one day, doing laundry in her basement. She has a gun safe in the corner. It's a symbol of her past. She grabs her rifle and is transported for just a moment to her life as a soldier. She puts the gun away, and returns back to life, as usual.

# CHARACTER BREAKDOWNS

# Why this story

Other examples and why Givati is different. (other productions, American sniper, fauna etc), artwork, video
